Zac Ligature

Be “On Top”
of the Time

The Zac Ligature is a unique and innovative,
professional and versatile ligature system.

In fact it adapts itself to be utilized on all types
of different saxophone and clarinet mouthpieces.

It offers the possibility for the musician to find the ideal
set up for his or her style and personal needs.

It also allows for several adjustments,
offering the possibility in regulating the pressure,
the position of the cords on the reed, or applying
the resonator, offering other types of resonances.

LIGATURE KIT - SATIN BRASS

MODEL

ZL-BRASS CODE ZL-10//X

Composed by:

MOTHER: ZM-10

satin brass, mother element

CORDS: ZC-OTX

extra grip cords, brass clamps

SOUND

natural sound of the reed

HARMONICS

*balanced high,
mid and bass frequencies*

FEATURES

very easy emission, good resonances

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.

MODEL

ZL-BRASS METAL CODE ZL-11//X

Composed by:

MOTHER: ZM-10

satin brass, mother element

CORDS: ZC-OTX

extra grip cords, brass clamps

RESONATOR: ZR-OT

*satin brass resonators
very good sound projection*

SOUND

bright sound

HARMONICS

*improved high and mid frequencies
balanced bass frequencies*

FEATURES

easy emission, good resonances

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.

MODEL

ZL-BRASS WOOD CODE ZL-12//X

Composed by:

MOTHER: ZM-10

satin brass, mother element

CORDS: ZC-OTX

extra grip cords, brass clamps

RESONATOR: ZRW

*wood ebony resonators, full sound
good sound projection*

SOUND

dark sound

HARMONICS

*balanced high frequencies
improved bass and mid frequencies*

FEATURES

easy emission, good resonances

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.

LIGATURE KIT - SATIN SOLID SILVER

MODEL

ZL-TOP SILVER CODE ZL-40//X

Composed by:

MOTHER: ZM-40

satin solid silver, mother element

CORDS: ZC-ARX

extra grip cords, solid silver clamps

SOUND

*natural sound of the reed
rich and centered sound*

HARMONICS

*balanced high and mid frequencies
improved bass frequencies*

FEATURES

very easy emission, higher resonance

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.

MODEL

extra grip cords, solid silver clamps

RESONATOR: ZRW

*wood ebony resonators, full sound
improved sound projection*

SOUND

rich and centered sound

HARMONICS

*full range of harmonics,
balanced high frequencies,
improved mid and bass frequencies*

FEATURES

easy emission, higher resonance

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.

LIGATURE KIT - POLISHED BRASS PLATED 24K GOLD

MODEL

ZL-NEW GOLD METAL CODE ZL-31//NX

Composed by:

MOTHER: ZM-30N

*new model, mother element
polished brass plated with
24 carat gold 3 micron guaranteed*

CORDS: ZC-OTX

***extra grip cords**, brass clamps*

RESONATOR: ZR-OT

*satin brass resonators
very good sound projection*

SOUND

warm and centered sound

HARMONICS

*very good highs and mid frequencies
good bass frequencies*

FEATURES

easy emission, very good resonance

Available for all single reed woodwind instruments.

For the measurements of instruments and mouthpieces see the **size list**.
